

1 sorry. Did it have an impact on your ability to balance
2 yourself?

3 A. Yes.

4 Q. You mentioned the neck brace -- I think you
5 mentioned the neck brace. Were you required to wear a neck
6 brace?

7 A. Yes. I mentioned the shoulder brace. But I was
8 required to wear a neck brace as well.

9 Q. Were you required to wear a neck brace and a
10 shoulder brace at the same time?

11 A. Yes.

12 Q. On the day of the incident?

13 A. Yes.

14 Q. Was that doctor's orders?

15 A. Yes.

16 Q. If you know -- Based on your personal experience
17 with this situation and this issue, do you know why you
18 were required to wear the braces?

19 A. Yes.

20 Q. Why?

21 A. In regard to the shoulder brace, they wanted to
22 immobilize my shoulders because of the trigger-point shots
23 that had been put in that morning, and also to ease pain in
24 my shoulders, to hold my shoulders back so -- to hold me
25 back because that's where a lot of the pain was.
