

1 A. No.

2 Q. Tell the jury what happened that day with respect
3 to the incident testified to.

4 A. The chairman of the commission had requested a
5 number of recesses during the hearing, and he kept asking
6 me if I wanted to take a break, and I told him no. I
7 wanted to get it over with because I wasn't feeling that
8 good and I wanted to make sure we got everything into the
9 hearing that we came to say.

10 Finally someone else decided that they needed to
11 take a break, and so they declared a break.

12 Q. What, if anything, happened next?

13 A. I got up from the witness chair, decided I better
14 use the bathroom, too, and so I -- Several people asked to
15 help me, and I was a little embarrassed, I said no, and I
16 held onto the chairs.

17 When I got out in the hall, there was a chair
18 rail along the hall. Some people call it a wainscoting.
19 But there's a board there.

20 Q. Let me clarify that, because I don't know what a
21 wainscoting is myself. A chair rail is a piece of wood
22 that's along the wall about chair high. Is that what you
23 mean?

24 A. Yes.

25 MR. BENNETT: One moment, please.
