

1 balance and I fell over the person that had the silver  
2 object, which I didn't know what it was.

3 Q. You now know that person to be Chad Kister, of  
4 course.

5 A. Yes. I fell over him. And when I fell over him,  
6 he spun around and kind of took me with him, and I fell off  
7 of his back and hit my head on the wall, and that steadied  
8 me against the wall. Then I got up from the wall and went  
9 in the hearing room, and that was it. It was over that  
10 quick.

11 Q. Okay. Now, if this is the east/west hall, the  
12 hearing room hall, then this would be the north/south  
13 bathroom hall; correct?

14 A. Yes, sir.

15 Q. Okay. Let me illustrate in the courtroom for the  
16 edification of the jury. If this was the bathroom door,  
17 this would be the north/south hall perpendicular to the  
18 east/west hall where the hearing room is; correct?

19 A. Yes, sir.

20 Q. Can you show the jury what happened as you came  
21 around the hall? Are you able to do that?

22 A. Yes.

23 Q. Okay. I'm tall, so don't use me. Use  
24 Mr. Jevicky, and tell Mr. Jevicky to do what you personally  
25 observed the person with the item in your face doing.
