

1 A. I was coming out of the --

2 MR. JEVICKY: Just a second.

3 A. I was coming out of the restroom here, and I came
4 around -- I was holding onto the wainscoting here, and I
5 was coming around here (indicating). The corner was here.
6 I turned, Earl was coming here. I was holding onto the
7 wainscoting and I got down to the water fountain, and I'm
8 talking to Earl like this (indicating), and I'm holding
9 onto the wainscoting to get up past the water fountain.
10 And the hallway is only six feet wide, and with the water
11 fountain it's only five feet wide. And as I'm holding onto
12 the wainscoting, I turned back around and there was a
13 silver object in my face. I had no idea what it was.
14 Right in my face (indicating).

15 Q. Let me ask you this: Obviously Chad Kister is
16 not as tall as Mr. Jevicky.

17 A. Right.

18 Q. All right. Continue.

19 A. My neck is up rigid, I can't see down very well,
20 and what I did -- When that silver object was there, I
21 thought somebody might have been trying to hit me in the
22 head, and so I instinctively, just as a reaction, I wasn't
23 even thinking it happened so fast, I wasn't even thinking,
24 I just threw my hands up like that (indicating). And when
25 I did that, he spun around.
