

1 A. Holding onto the wall.

2 Q. Uh-huh. Uh-huh. And you say that Mr. Kister,
3 when you turned around, you now realize, was looking
4 through the viewfinder on that camera. Is that -- Is that
5 your testimony?

6 A. That's what you're saying. All I saw was a
7 silver object in my face.

8 Q. Well, just a moment ago, sir, didn't you say that
9 you turned around and Mr. Kister was looking through that
10 camera at you?

11 A. What I testified was that there was a silver
12 object in my face, I later learned that it was a camera.
13 And I said apparently Mr. Kister was looking through the
14 camera, I was walking backwards --

15 Q. Okay.

16 A. -- and when I turned around, we were right there
17 face to face.

18 Q. Uh-huh.

19 A. I didn't know what it was. I've got this on
20 (pointing). Mr. Kister is shorter, and my head's out here
21 looking over him, and I see this silver object right at my
22 face -- lower face, and that's pretty darn close to this
23 (pointing).

24 Q. Uh-huh.

25 Just a couple more questions, Mr. Murray.
